COLLEGE

LUDD MYRL SPIVEY, A.B., M.A., B.D., LL.D.
President

ANOTHER school year has come to a close. Because of the financial difficulties which have confronted all of us it has been a year of perplexities and uncertainties. But in spite of its hardships each one of us has been the recipient of many blessings. We have made new friends, secured new insights into the meaning of our own lives and of our world.

Some of you are just beginning college. You have at least three more years before you. These three years will lead you into new fields of learning and endeavor. Others have only two more years or one more year, and some of you are ready to leave the campus forever, so far as being a student is concerned.

To all of you I want to wish much happiness and success for the summer and for all the days ahead of you. Wherever life may take you or whatever it may do with you I know you will hold a large place in your mind for dear ole Southern.

Your friend,

Ludd M. Spivey

A feature of the club work this year has been the building of a rock garden on the shore of Lake Hollingsworth, emphasizing the club's motto, "To foster Beauty in all forms." In order to finance this project for the beautification of Southern's campus, the club sponsored annual skit night on March 23rd in the college gymnasium.

It is customary for each of the fraternities to undertake some project calculated to further the interests of the college during the school year, and through the splendid competitive spirit shown therein much has been accomplished.

ATHLETICS

COACHES

COACHES Ernest J. Bowyer and John Haines came this year to Southern to succeed Coaches Kimbrough and Hood. Although they had never coached college athletics before they both had fine records as high school coaches, and produced teams here of which Southern is proud.

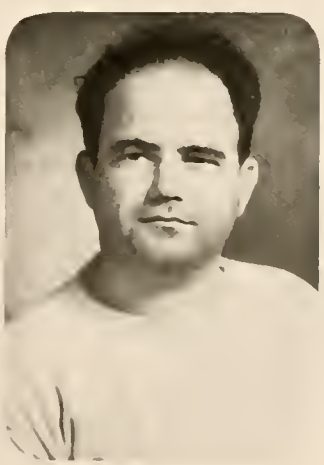
Prior to assuming the duties of director of athletics here Coach Bowyer served two years at Lakeland High School where he produced championship teams both years.

His personality and profession ethics together with his thorough knowledge of football and basket-ball and his coaching ability fit him well for the work he is doing at Southern. He is essentially a leader of young men. His work centered on the backfield.

Coach John Haines has had many years experience coaching football and baseball teams and he proved his worth by producing a strong frontal wall in which the backfield aces had confidence. Under the handicap of lack of equipment and green material he has given Southern a winning baseball team. This is the first year that Southern has attempted a baseball team in several years. Every man who has been under his directorship terms him as a regular fellow and finds work under a leader like him easy.

ERNEST BOWYER

JOHN HAINES



ATHLETICS

ATHLETICS, everywhere regarded as an integral part of college life, are strongly emphasized at Southern, and there is scarcely a student who does not avail himself of at least one of the many opportunities to participate in his favorite sport.

Football occupies the spotlight during the fall months, but while its stalwart exponents are disporting themselves on the gridiron, the members of the fairer sex reap the physical benefits of volley-ball and archery, or, clad in aquatic attire, paddle swift war canoes about Lake Hollingsworth.

With the approach of winter, the basketeers don their abbreviated togs and prepare to do battle with worthy antagonists within the state and elsewhere. Both men and women engage in this sport and boast an enviable record.

Tennis and golf follow in turn and are represented by teams of which Southern is justly proud. Against keen inter-collegiate competition they have amassed an impressive percentage of victories.

As the final semester draws to a close, athletic fervor reaches its climax in spirited inter-fraternal tennis, basket-ball and track events to determine which Brotherhood reigns athletically supreme on the campus.

Football

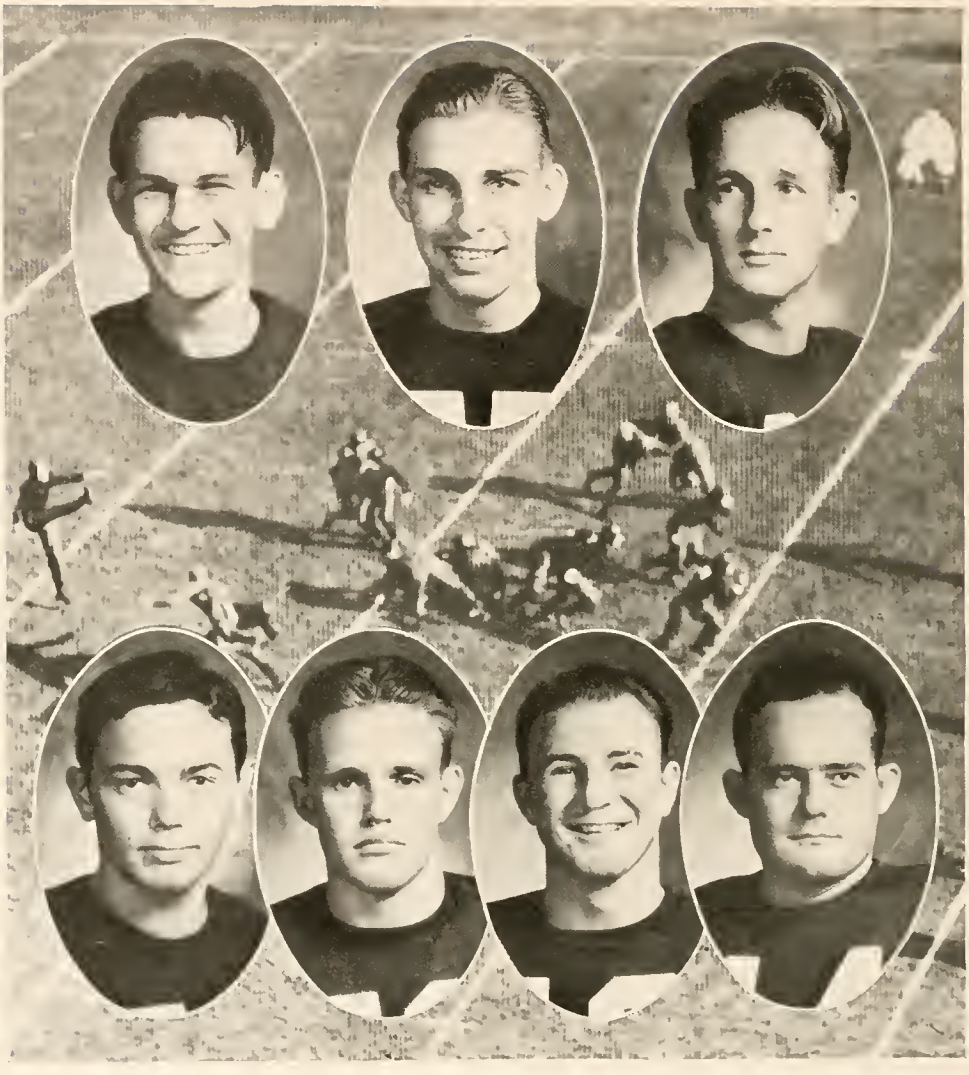
THE MOCCASINS had a very successful season in football, although last year's team was sadly depleted. With a few of last year's stars to help along the large amount of new material, the prospects of a fine team was very encouraging.

But great teams are produced only by great coaches. To "Goof" Bowyer and John Haines is due the credit of placing Southern on top of the list.

SCOFIELD, *End* CASON, *Tackle* DIFFENWIERTH, *End*
ROTH, *Guard* COLLINS, *Guard* OVERSTREET, *Fullback* RICE, *Quarterback*

The Mocs struck only once in the opening tilt to defeat the Bulldogs of Bowdon College by a score of 7-0. Doc Melton and "Casey" Cason stood out very prominently as stars in this contest.

The second victim to succumb to the deadly bite of the Mocs was the Florida "B" team. But the Mocs proved more than an equal to down them 21-0. Albritton, Tolle, and Roth proved their worth in this fray.



MULLEN, *Guard* DAVIS, *Guard* BRYAN, *Center*
HUNN, *Quarterback* ROBERTS, *Guard* BLOODWORTH, *Fullback* BRITT, *Tackle*

The Hurricanes of Miami proved to be only a stiff breeze for the mighty Blue and Whites. This is said to be the best game of the season for the Mocs as the teamwork was unsurpassed. On a kickoff Doc Melton ran the ball back 97 yards to score. At the end of the game the scoreboard showed a 31-20 victory for the Mocs.

With grim determination the scrappy Mocs coiled towards the highly tooted Howard College. But this game proved a stumbling block for Bowyer's undefeated team. In the last minutes of the game an unfortunate Southern fumble enabled them to score,

CHRIST, *Tackle* — WILD, *Halfback* — WEBB, *Guard*
KAMINIS, *Tackle* — MOORE, *End* — POTTS, *Guard* — DURRANCE, *Quarterback*

a lone tally, 6-0. At the game Albritton, Jim Melton, and Doc Melton were the outstanding stars.

The Homecoming game brought the "Hatters" of Stetson. Rated as underdogs they met a much-crippled Southern team to bowl them over in the last half by a score of 30-0. Bloodworth and Roth were the luminaries in this contest.

Erskine invaded Adair Field on Thanksgiving to furnish real opposition for the Blue and White eleven. All Moc threats failed to score, ending the game with an 18-0

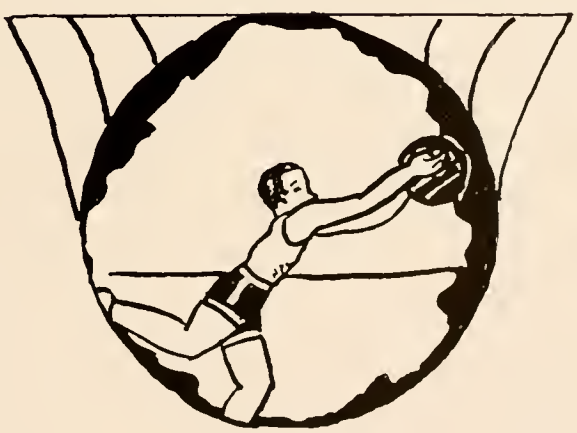
win for Erskine. Next game was the "B" team and an all-star aggregation from Winter Haven. The Mocs took the game with a 14-0 victory. Moore, Hunn, and Collins gained recognition as playing a superb game.

Southern had two encounters with an all-star team from Lakeland, led by Buddy Hackman and "Goof" Bowyer. In the first tilt the Mocs were defeated 7-0. The return game was tied in the last minute of play. These were charity tilts.

Basket-Ball



JIM MELTON, *Center*

WOODALL, *Guard* MURRELL, *Guard*

SOUTHERN COLLEGE basket-ball team opened its season at DeLand against Stetson University. Southern was swept off her feet by the speed of the "Hatters," although they put up a gritty but futile battle.

In the second scheduled game a dazzling last minute assault that netted 21 points enabled the Moc five to decisively defeat the strong Coca Cola team of Tampa 43-23.

The Tampa Junior College was the next victim. With the combined efforts of the Varsity and "B" teams the Spartans were easily defeated by a score of 36 to 8.

TOLLE, *Forward*

D. MELTON, *Forward* WILLIAMS, *Forward*

Next came the Sun-Kist of Lakeland. The first three quarters were played on even terms, but the last quarter the Sun-Kist struggled desperately to edge out the Mocs by a score of 35 to 30.

A return game with the Coca Cola team of Tampa netted Southern a victory of 46 to 29.

The first game against the "Tars" of Rollins, the Mocs completely outplayed them in all departments of the game for a 38-15 victory.

The Sun-Kist were given a real surprise in the return game when the Blue Jersied men trampled them under foot for a hard fought 23-19 win.

MOORE, *Forward*

SLALOVER, *Guard* DAVIS, *Guard*

The Mocs again honored Southern with a win over St. Pete Junior College in a fast and thrilling game. The final score read, Moccasins 40, Junior College 27.

The return games with the Stetson "Hatters" and St. Pete Junior College ended with a defeat and victory for Southern respectively.

The Spartans of Tampa Junior College fought gamely in the return contest but were not equal to the task of matching shots with the Mocs, Mocs 29, Spartans 17.

The climax game of the season, the Sun-Kist was snowed under an avalanche of long shots by almost every member of the Southern College quintet. The winning of this game gave the Mocs the city championship, the count being 33-15.

Minor Sports

TENNIS

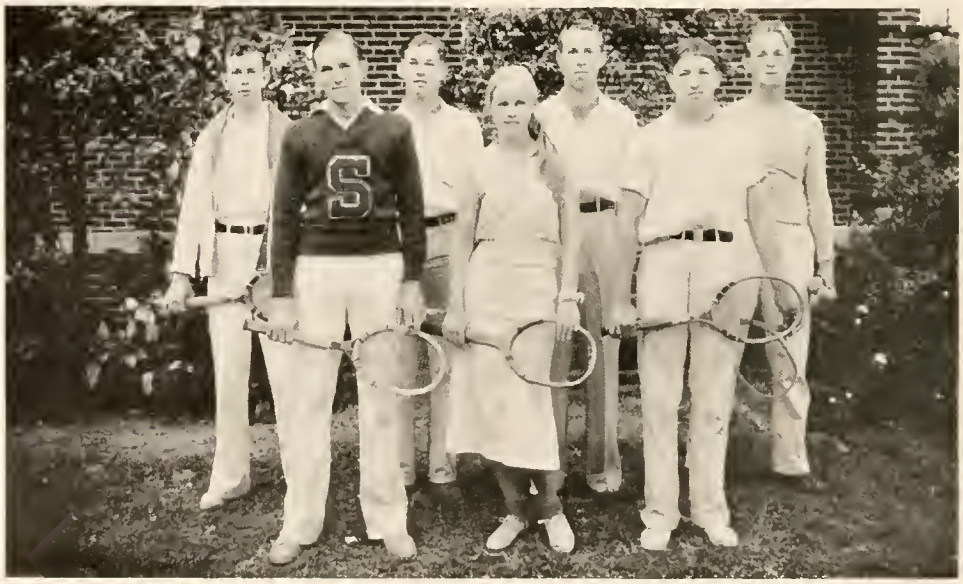
SINCE the enrollment of Arthur Hendrix and Albert Key, two years ago, Southern has jumped into the spotlight of the tennis world.

Hendrix has brought to Southern and to himself the distinction of holding the intercollegiate championship of the state for two years in succession, '31, '32. He defeated Ham of the University of Miami this year for the championship.

At the time of this writing only two matches have been played, both of which were victories for Southern. Other matches are in the making, and these will probably have the same results as the former two.

The squad is composed of—

A. Key, Hendrix (Captain), Snodgrass, Miss Lawshee, J. Melton, Jaeger, H. Bryant.



GOLF

GOLF AT Southern is in its second year as an inter-collegiate sport. Despite this fact it is rapidly growing to be one of the school's most popular minor sports and prospects point to even a more successful team.

Two inter-collegiate matches have been held, at the time of this writing, netting one victory and one defeat. Both of these matches were with Rollins College. The first match was played off at Orlando, and the other on the Cleveland Heights course, which is considered one of the best in Florida.

Jim Melton, John Williams, Doc Melton.

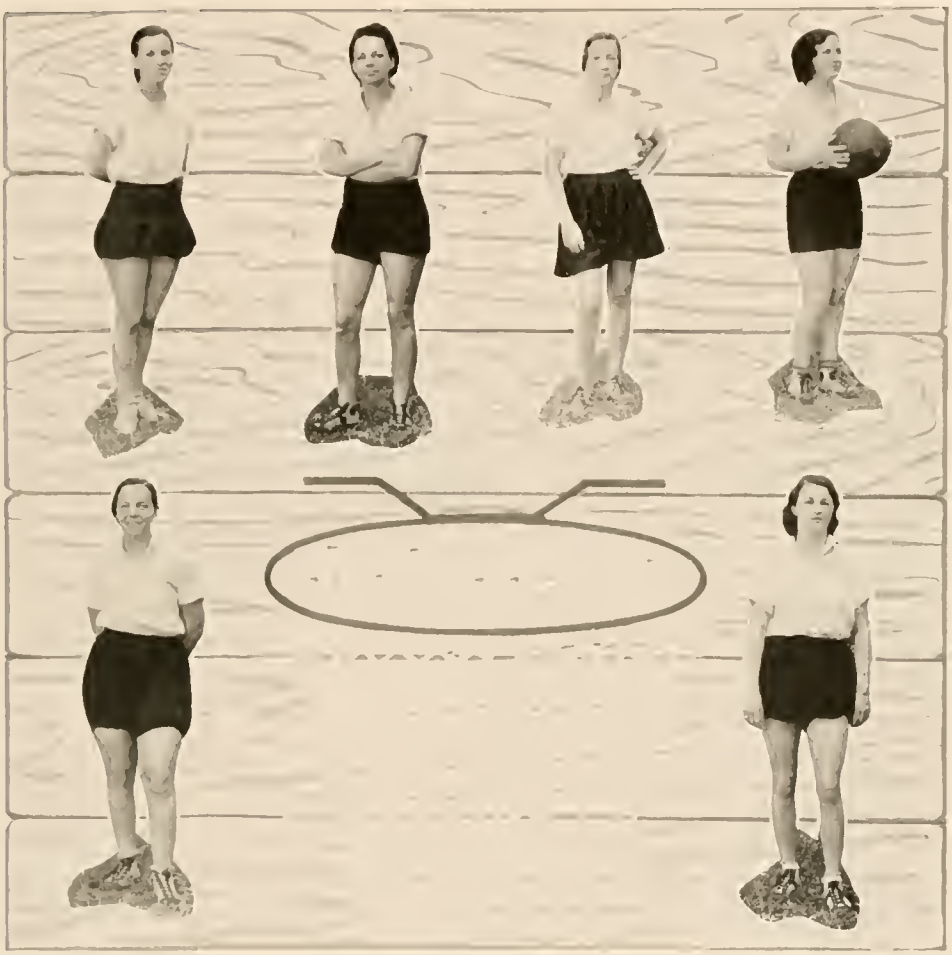
THE RECORD made by the Southern Valkyries during the 1931-32 season can be termed an entirely successful one. With a plucky team chosen from a scanty squad of players, Coach Johnny Woodall with the help of physical education director, Mary Watson, made an extremely good showing.

Winning every game except one, when the team met the more experienced and hardier Coca Cola girls from Tampa, and with the exception of two tied games, the Valkyries piled up a surprising number of scores, almost every game being an overwhelming victory for our fighting team.



C. Bryant, Wooten, Kabaski, Lowry.
Rice, Smith.

By dint of hard practice every afternoon and consistent, well-organized team-work, the Valkyries carried out the following schedule:

Valkyries	18	Winter Haven	13	Valkyries	32	Mulberry	17
Valkyries	17	Auburndale	13	Valkyries	17	Plant City	15

AN APPRECIATION

WE WISH to express our sincere thanks to those students and faculty members who so willingly contributed their time and talents to the planning and composition of the INTERLACHEN.

There are many who have indeed proven themselves loyal friends of Southern College by giving financial support in these trying times when business is at its lowest ebb.

The students and friends of Southern should pay especial attention to the advertising section of the INTERLACHEN, for here is a roster of the friends that made the publication of this, your own book, possible.
